PROPERTY 0010

STEP BACK IN TIME to this beautiful, carefully preserved 1773 Shaker farmhouse nestled in the heart of the peaceful village of Tyringham. In the same family since 1936, this house is tastefully decorated with antiques and beautiful photographs of the estate and valley. The living room walls are lined with boards that are wider than any I have seen before. The huge living room fireplace comes complete with an old Shaker teakettle and beehive bread oven. Each room is large with amazingly high ceilings.

The house sits on 60 acres that spread across the valley past the creek. A short distance down the road one can cool off in the town swimming hole. Downstairs, there is spacious living room, den and sundrenched eat in kitchen. Upstairs, there are 4 bedrooms, and two bathrooms, one with a shower and one with a 5 ft claw foot tub perfect for long luxurious soaks. The house has all the modern amenities: dishwasher, toaster, coffee maker, phone, and TV complete with DVD, VCR and DirecTV. There are a washer and dryer on the second floor.

Tyringham Village is full of amazing estates. It is located in one of the most beautiful valleys of Berkshire County. Not far from Tanglewood and Great Barrington, it has the virtue of being not too far from civilization combined with the quiet of being a way from it all.
